The above pricing reflects the retail pricing of a pair of wheels complete with the appropriate push rims, tires, tubes, and rim tape (extremely important on high pressure installations). Tofu, IRC Exeracer Pro, Swchwalbe One, Foam Inserts, etc are extra as per the cost in the parts price list.

NOTE: We have a number of other wheels in stock or able to source along with drum or disc brakes; all your needs from daily use, sport, ultra-light through bariatric, etc. We would appreciate your inquiries on all wheels and tires, snap on push rim covers to provide a rubber/plastic replacement for anodized push rims, etc.

E & OE Errors and omissions excepted

Valid Until Decemner 2022
