

The ultimate mobility tool:

Batec handbikes are a comprehensive solution to your mobility problems:

- ✓ Go from reduced to **augmented mobility**; from needing help to being **independent** and **proactive**.
- ✓ Get a **2 in 1**, without giving up your manual wheelchair.
- ✓ **Overcome obstacles**.
- ✓ Attach our handbikes **in just seconds** and **with no need for transfers**.
- ✓ Also available for **quadriplegics** and **hemiplegics**.

You **CAN** get used to being in a **wheelchair**

But not to giving up on

COMPARE AND CHOOSE

your electric handbike

An electric HANDBIKE for every need

At **Batec Mobility** we have a handbike for every need:

- 1 Discover the full range
- 2 Compare our models
- 3 Choose the one that suits you best!

ALSO AVAILABLE FOR QUADRIPELGICS AND HEMIPLEGICS

The versions for **quadrilegics** include the *Gas & Brake* handlebar without levers with which you can accelerate and brake with gentle movements. For **hemiplegics**, the handlebar includes Monolever brakes and the controls can be grouped right or left.

Request a quote or a demonstration without any commitment!

Go to our website and ask us for a quote or a demonstration without any commitment. We'll be delighted to organise it for you, as well as to answer any questions you may have.

BATEC MINI
