BATEC AIR, the small Batec

Batec Air,

Small, compact and ready to go

At just 11 kg and with an ultra-compact design thanks to its folding system and 10" wheel, the **Batec Air** folds in seconds. Its lightweight and practicality make it the perfect companion to take anywhere. It fits easily into its **travel bag**, while maintaining the robustness, ergonomics, and versatility you expect from Batec. **Light, agile, and always ready for action.**

TFT colour display, LED lights and buttons.

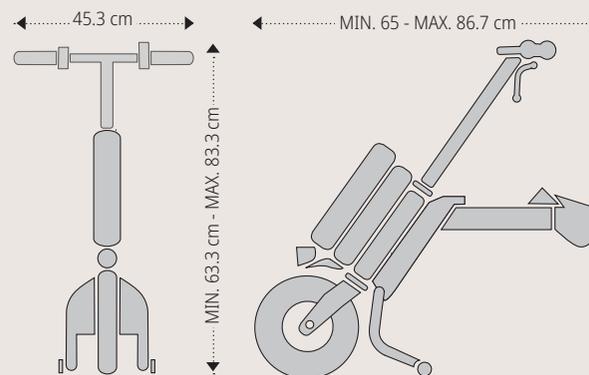

30 Lux front light.

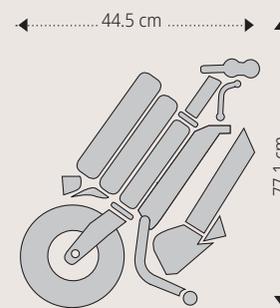

Protective kickstand with wheels and dual rear safety lights.
