

Batec 2 Plus

More innovation. More control. More Batec

Discover all the latest features of the new Batec 2 Plus range, designed for our Mini, Electric and Scrambler models. **Upgrades that make all the difference.**

Brakes and safety

Foldable anchoring lever.
Lighter, easier to handle, foldable and safer.

Stand indicators that flash when braking for added safety.

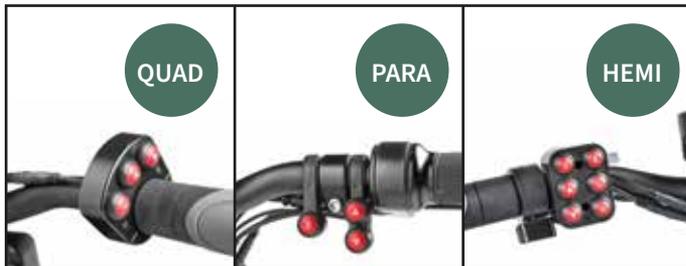

Electronic brake with signal cut-off on both wheels.
Parking brake.

Electronics

Anti-slip traction control system to prevent wheel spin. **Speed control** for downhill rides.

Cruise control with two new buttons, available across all versions. Maintains a steady speed and disengages when braking.

Interface and usability

New black LCD display. Easier to read and non-intrusive at night.

More powerful headlight for the Mini 2 Plus model.
