**ORDER NOTES****BATTERY**

Companion is equipped with a 36V, 270Wh rechargeable lithium-ion battery. The battery is built-in and cannot be removed. The Companion's battery has been tested according to the UN Manual of Tests and Criteria Part 3 Subsection 38.3 to meet the applicable ICAO, IATA and FAA requirements for air travel. Replacement batteries are available.

**WARRANTY**

Companion is backed by a two-year limited warranty. Electrical components (motor, display, battery, buttons and controller) are warrantied for **one year** after the date of purchase or the date of dispense when registered. Wearable (brake cables, brake pads, and tires) parts are not covered under warranty.

**TERMS AND CONDITIONS**

Contact Cheelcare with ANY questions at 1-888-948-2680.

Cheelcare is not responsible for configuration or size discrepancies resulting from customer errors on the order form.

Order confirmations will be provided summarizing the items selected. Please review this carefully. Once the order is shipped, any changes are subject to the return policy and may be prohibited.
